Note: Outcomes exclude detox discharges

Salt Lake, Davis, Weber (Mogan is included in Weber County), and Utah Counties are reported as Urban. All other counties are reported as rural.

Green = 90% or greater of the National Average or meets/exceeds division standards.

Yellow = 75% to 89% of the National Average or does not meet/exceeds division standards.

Red = Less than 75% of the National Average or not meeting division standards.

* No one homeless at admission so no opportunity for change.

** No one reported at discharge.

^ Unknown count too high (above 50%)

Decreased Use and Completing Modality Successfully are not national measures and are not scored.

State Total for Clients Served is an unduplicated client count across all modalities and is not a sum of the clients served for the providers listed.

Final Discharges are reported by treatment episode.

Initial Admissions are the number of unduplicated non-transfer admissions to a treatment modality that occurred within the fiscal year. Clients served are an unduplicated count of clients served during the fiscal year. Due to a change in reporting procedures, The numbers on this chart may not be the same as reported in previous years.

Justice Involved includes DORA, Arrests, Compelled for Treatment, probation & parole, justice referrals and Drug Court

Calculations for SA Outcomes:

All outcomes are percent increase or decrease. Specific percentages are calculated as follows using FY final discharges, excluding detox-only clients. Percents at admission and discharge are calculated by dividing the number of clients reporting the outcome divided by the total number of discharged clients with valid, non-missing, data for that measure:

Abstinence (Percent Increase):
(Percent abstinent at discharge *minus* percent abstinent at admission) *divided by* percent abstinent at admission

Stable Housing (Percent Increase):
(Percent not homeless at discharge *minus* percent not homeless at admission) *divided by* percent not homeless at admission.

Employment/School (Percent Increase):
(Percent employed/student at discharge *minus* percent employed/student at admission) *divided by* percent employed/student at admission.

Criminal Justice (Percent Decrease):
(Percent arrested at 30-days prior to admission *minus* percent arrested 30-days prior to discharge) *divided by* percent arrested 30-days prior to admission.

Length of Stay:
Median length of stay calculated from admission date to date of last contact for those discharged in the fiscal year
